Really like this book. Dover does it again. Clear, easy to trace images. License free. I have used these for surface decorations on the pottery I make and they're fantastic. Authentic, pretty, unusual.

The book's paper, cover, and printing are perfect. Trust this company anytime. Can't beat the price.

I was looking for designs for cloisonné and these are perfect. Simple yet beautiful. These designs will work beautifully for my creations.

I was pretty disappointed with this book. I'm a huge fan of both Art Nouveau, and stained glass. The designs in this book seemed really generic and uninspired. The image they conjure is more "truck stop" than "gallery".

I have not used any yet, but a close review offers a look into the elegant clean lines of well balanced patterns.

Good book to get an idea of what Art Nouveau is. I like the patterns.

I'm always on the prowl for designs I can use (or get ideas from) for my woodburning crafts. These are beautiful, easy to use, and well worth the price.

Gorgeous designs for artists looking to make romantic themed glass, etc. Can be used for all kinds of arts and crafts applications.

Love this book... Very unique designs...
