Everytime you thought the book was going to give you some actual advice it would instead say "I recommend you read ----- also written by me" it was the most frustrating waste of time reading that book.

Nothing really new that I had not already found researching for my wife who has both rather severely.

I suffer from both CFS & Fibromyalgia and wanted a biblical based book on how to treat my body and spirit. Reason for four stars is I'm on a fixed budget after losing my job of many years to CFS & Fibromyalgia and can't afford to order a lot of these supplements, but I will pray The Lord will provide!

This book is okay but he's continuously leaving stuff out and trying to get you to buy his other books.

I carry this book around with me for reference on foods and supplements suggested for managing Fibromyalgia. May not work for everyone. After discussing with my doctor, I adopted some of the suggestions in this book and have had some improvement. Bought the Bible Cure for Diabetes for my cousin. Worth a read. If you have Fibromyalgia what have you got to lose?

Very, very informative. I recommend all persons that are diagnosed with this problem read this for enlightenment !!!

Great book with great insight... If you suffer with fibromyalgia you will keep this book handy. It encourages and is a good reference to keep on hand.

Everything fine
