The Last Battle (Radio Theatre: Chronicles of Narnia) This is a delightful story and audiobook. Whether or not you have read all of the Chronicles of Narnia books...or read them to your children or grandchildren...or watched the ones which were made into major motion pictures...or the DVD's of British stage productions of many...there is nothing quite like finding a comfy spot to sit back, put up your feet and be read to. Especially one of the Chronicles of Narnia. We all know C.S. Lewis did not only write for children...and anyone can enjoy having this delightful story read to them...at any age. I won't get into the plot, as you are either familiar or can find many other places, but this production and reader's voice is just lovely and delightful. Whether they ever make this one into a movie or not, I highly recommend this audiobook in addition to or instead of reading the last Chronicle for yourself. Try it; you will find both the story and the reading of it as delightful as have I.

this will keep the kids busy for hours during long trips, its very well done, and keeps you entertained for hours

A wonderful dramatization of a classic. Children will love this version and want to hear it over and over again!!
