The Priscilla Diary (First-Century Diaries (Seedsowers))

Synopsis

Hear the stories of Paul's continued travels to the first-century churches narrated from the unique perspective of Priscilla, a vibrant first-century Christian woman! Paul faces the darkest days of his entire life, while he frantically searches for the missing Titus. Are Paul's fears warranted? Has Titus been assassinated in Corinth? Read of the writing of Paul's most personally revealing letter to the church at Corinth. And marvel at the truths Paul conveys to the church in Rome, a letter of all that Paul considered central to the Christian life. In Jerusalem Paul faces his old enemies and stands trial before the Roman and Jewish officials. Paul spends years in jail before the Roman governor issues a ruling that sends Paul to Rome in chains. Paul's final and most harrowing journey by ship awaits him!

Customer Reviews

I now have read all of the books in this series and have been blessed indeed. Reading these made me feel more a part of the early church. Many thanks to Mr. Edwards for sharing his insight and talent. I actually followed the scriptures and marked them in the books as the characters interacted along this marvelous journey of the church!

This is arguably my favorite in this wonderful series about the life of Paul as seen through the eyes of those who knew him best. As book four begins, as usual with painful but unsurprising news of the

martyrdom of one of the characters we've come to love, Priscilla remembers back to what must have been one of the worst times of Paul's life - with Priscilla and Aquilla going to Rome and life-threatening danger; no news from Timothy about whether the Philippian congregation has survived Blastinius' latest assault and, worst of all, the mysterious disappearance of Titus, who as time goes on seems more and more likely to have been killed. Priscilla herself is one of the most engaging voices in the series in this entry which proves that just when everything seems to be going wrong, God sometimes gives us a break in this world. With the inevitable subject matter of the next and last book (not yet released as of this writing), it's a period of happiness the characters must sorely have needed to face what was to come.

It is the fourth book for this series. I like the first three more than this. However, to understand how the Gentile church being built by the next generation (Timothy, Titus, Gaius...etc.) It will be a good book. I will still recommend this book to others.

You must read all the diaries to be able to fully appreciate and comprehend the New Testaments...Unbelievable revelations and insights...Start in the order they were written then do all five.

I love this entire series. It helped me understand the flow of the Book of Acts much better to read what happened when. I bought 2 more sets of the series to give as gifts.

Enjoyed the travels of Paul and his companions.

Great reading to bring you into the time of the story.

Seller was awesome; would definitely do business with them again. This series completely changed the way I view Paul, and the New Testament.
