I've been looking to broaden my horizons with my cooking. I've never tried harissa, actually I've never heard of it. This book teaches you how to make it. It's like a pepper condiment. Then the book gives you recipes that incorporate harissa. The way I would describe the recipes are Mediterranean meets Mexican meets Indian. It's uniquely it's own but that's how I would describe it to someone who has never heard of it. I can't wait to try some of these recipes, they sound so unique and delicious!
