S Is For Show Me: A Missouri Alphabet (Discover America State By State)

Synopsis

Ross & Judy Young's combined belief that children comprehend intricate ideas at a very young age made it possible for them to seamlessly create "S is for Show Me: A Missouri Alphabet." The husband and wife team elegantly synthesize text and illustration to provide a rich texture of the Show Me State. The alphabet book employs a two-tiered approach that reaches Pre-K through 6th grade students. A rhyme for each letter of the alphabet catches the attention of younger readers, while older elementary students grasp a richer understanding of the topic by reading expository information on the same page.

Book Information

Series: Discover America State by State

Hardcover: 40 pages

Publisher: Sleeping Bear Press (September 17, 2001)

Age Range: 6 - 9 years

Grade Level: 1 - 3

Customer Reviews

Judy Young has always had a fascination with words and a love of language, which she expresses through her poetry. Judy's poetry has won many awards and has been published in literary journals and magazines. Her interest in words and language also led her to receive a Masters in Arts in Speech and Language Pathology at the University of Tulsa in 1980. As a speech and language pathologist, Judy works with elementary children, helping them to understand and use language. She also encourages children to write by reading and discussing poetry in elementary classrooms. Judy and her husband, Ross, live in the country near Springfield, Missouri. They have a daughter,

Brett, a son, Reid, and five dogs.

I love each of these songs. Put together the music catches my soul! The love for others is the search and satisfaction of my life. It is beyond sexual love. Listening to this mashup brings together three people who made my life so much richer. They are not physical lovers to me. They are the ones who helped to answer questions which used to torment me. Now the answers to these queries have helped to calm and delight me. Cumming's combining of these songs which had formerly been identified with these friends and reminded me of them united in an anthem which will forever travel with me in my life. I will be eternally grateful to Alan for this work.

The student I tutor liked this book. She read the poetry. I read the facts about our state. I bought copies for my grandchildren too.

This hardback was in excellent condition and arrived in good time. I really appreciate Judy Young's writing, and this is a very interesting book.

I bought this book as a gift for two small children from Australia who would be visiting me in my home state of Missouri. They loved it, plus it spread news about the delightful "Show-me-State."

great book ! thanks.

I think that the book was supposed to be new, but there was one tear at the bottom of a page. Everything else was OK.

This book is perfect for a 3rd to 6th grade classroom. I gifted it to a 3 yr old. There are easy and more involved stories for each letter

The book arrived quickly, box and product were in good shape as indicated in the description prior to purchasing. Thanks.
