This my son's book for the school band. Good quality book.

He isn't the poet, right? Book is good, but my son hasn't dealt into it as much as I would have liked...May not be anything wrong with it, but not his cup of tea.

Daughter enjoys it needed to buy for her school learning to play the viola.

quick delivery. My daughter is using it for school. she is in the fourth grade. So far there is no complaints.

Item came as described and pictured.

I really love the viola! This All for Strings book taught me very well! I highly recommend this string method! This book teaches you all of the following: grand staff Alto clef Sharps naturals key signatures pick up notes repeat sign first and second ending stiefermataritar dda capo al fine da capo al codadal segno al fine solo ensemble divisi arco pizzicato down bow up bow bow lift slur bow division ssslurred staccato bowing flourishes bowing dynamics rhythm Isn't that a lot? This is a FANTASTIC BOOK!

I was taught from the All for Strings books when I started playing the viola in 1989. When I give lessons, I like to use these books, too. I've used other books only to come back to these ones. The material is introduced in a easy to learn format without seeming dumbed down. There are lots of duets/rounds in the books so that the student learns how to play with other musicians.

hi there, my teacher is teaching my orchestra with all for strings i have complete book one and two this book rocks! i play viola * no really? * this is a great book it will teach you just what you need! i can't wait to finish book 3!*/sj
