Kindergarten Success With Sight Words: Activities, Exercises, And Tips To Help Catch Up, Keep Up, And Get Ahead (Sylvan Language Arts Workbooks)

Synopsis

A solid foundation of reading skills is essential for kindergartners to become successful readers. Learning basic sight words is a critical step in building that foundation. The activities in this workbook are designed to help your child catch up, keep up, and get ahead—•and best of all, to have lots of fun doing it! Here are some of the great features you'll find inside:• Spot the DotsConnecting the dots by drawing lines from sight word to sight word in alphabetical order leads children to a surprise picture as a reward!• Start Your Crayons!Which dinosaurs are wearing the right words? Children practice recognizing new sight words by coloring only the dinosaurs wearing the correct "jiffy words" or adjectives. • Poetry GuyChildren help Poetry Guy finish his poems by reading them and filling in the sight words that rhyme. • Meet in the MiddleHelping two kids find the middle of a maze based on the word on their shirts is a fun way to reinforce recognition of high-frequency verbs, pronouns, and prepositions. • Hide and SpeakChildren practice words for colors, food, and transportation by saying each sight word out loud and then drawing a line to the matching picture. • Give your child's confidence in reading a boost with Kindergarten Success with Sight Words.

Customer Reviews

Sylvan Learning is the premier provider of tutoring services for grades pre-K to 12 in North America. With over 850 locations in the United States and Canada, Sylvan provides individualized tutoring services, both in centers and online, in subjects including math, language arts, writing, study skills, and more. Sylvan's proven process and personalized methods have helped more than two million students unlock their academic potential. With products based on solid and scientific research, Sylvan is committed to both quality education and to helping children discover a love of learning!

It's a good workbook with different activities, such as tracing, matching, coloring, mazes, word hunt, etc. The contents do not show which words are in the workbook, so it was hard to decide whether to purchase it or not. In the end I did because of other good reviews. However, I thought I'd write down the words, so that other parents won't have such a dilemma. Here they are:

1. Jiffy words: a, the, I, am, is
2. Busy words: see, find, run, come, can
3. What's it like: big, little, long, old, pretty
4. Colorful words: red, blue, yellow, green, brown, black
5. Animal friends: dog, cat, bird, rabbit, fish
6. Jiffy words: at, not, to, an, will, say
7. Who's who: he, she, it, you, me, we
8. Count on it: one, two, three, four, five, six
9. Hooray for play: boy, girl, toy, doll, ball
10. More busy words: go, get, ride, work, play
11. Even more busy words: give, want, like, make, look
12. What's for lunch? egg, cake, milk, soup, banana, apple
13. Where is it: up, down, on, under, out
14. This & that: and, but, for, so, no, yes
15. Jiffy words: have, be, has, my, do, was
16. Head to toe: feet, leg, eyes, hand, head
17. On the go: car, bus, boat, truck, train, plane
18. Jiffy words: saw, this, that, said, who, what

This is a great book for kids ages 4-6 years old

It's good but it should have more activities

this is a very good book to use if you are looking for something to help your child learn to read at home or in addition to public school work. It does not have tear out pages though which I personally prefer

My kindergartener flew through this book. Great for preschoolers but I may need to get the 1st grade book for her

This is a great asset to help teach my daughter to read and to reinforce things that she has already learned. Very simple which is nice so it is fun to learn as well. Fast shipping and will use more

workbooks from Sylvan as my children's ages progress.

It's a very good beginner for pre-k and kindergarten kids. Forms basic words and exercises are good. Sylvan books are good.

great book and engages my son well who usually doesn't want to work on this type of books.
