# The Zinester's Guide To Portland: A Low/No Budget Guide To The Rose City (People's Guide)

## Synopsis

Designed and written for the DIY-inclined person without any cash to spare, the Zinester's Guide to Portland breaks down the PDX grid by neighborhood with descriptions of good restaurants, thrift stores, bars, bridges, places to loiter, etc. (lots of etc.). The newly overhauled and illustrated sixth edition gets shoulder-deep into the history and local lore, providing a well-rounded argument as to why (fill in the blank) deserves your time. It also demystifies the TriMet public transportation system, bike events and culture, outdoorsy stuff, the public libraries &#151; basically anything you need to know as the new kid in town. The book's title implies a guide to Portland zine culture, and indeed it originated in 2001 as a hand-stapled zine. But now, as editor Shawn Granton says in the introduction, the Zinester's Guide is not just for zinesters, that "It's always been about sharing the interesting and unique things that make Stumptown great, and also helping people get by that aren't swimming in scads of money." For those of us that can't so much as dogpaddle most days, this is community at its mightiest.

## Book Information

Series: People's Guide

Paperback: 128 pages

Publisher: Microcosm Publishing; 6 edition (May 3, 2016)

Language: English

## Customer Reviews

"Feels like a classic ... profiles genuine gems and secret neighborhood spots." &#151;Portland Mercury

"What's best about the book is its utility and unpretentiousness. It's written by and for people who ride their bikes and take Tri-Met and don't have a lot of money to spend on fancy restaurants." &#151;Oregonian

"We've all been Axl in the 'Welcome to the Jungle' video, stepping off the bus in our hicky clothes and cowboy boots, staring into shop windows, hustled at

from alleys&#151;just ridiculously rudderless and confused. A new city&#151;any city&#151;can be daunting. But [ZGPDX] is conversational, non-exclusive, friendly, and&#151;above all&#151;easy to use. It gets shoulder-deep into history and local lore, reaching into the guts of its subject and pulling out a hot, wriggling, well-rounded argument as to why (fill in the blank) deserves your time."

&#151;Portland Mercury"Perfectly positioned to capitalize on Portland's white-hot popularity, while also serving as a valuable educational tool by turning on readers (especially those on shoestring budgets) about city highlights that won't be covered in travel magazines or websites. Plenty of civic pride and boosterism, and even more overlooked hotspots." &#151;Ink 19"A hip, cool, Portland version of a Lonely Planet guide." &#151;Razorcake"Refreshingly honest. Defined accurately the attitudes, vibes, and social settings of particular neighborhoods, as well as listed a decent assortment of local and inexpensive cafes and restaurants. Definitely worth getting."

&#151;ReadJunk"Almost perfect. Really. As someone who has lived in and around Portland her whole life, I think the creators of this guidebook have got their shit together."&#151;Zine

Thug"Required reading if youÃ¢â¬âre gonna spend any time at all in Portland, the hippest place on earth." &#151;Michael Dean, Stinkfight"Cuts through the chaff you're likely to find in other tourist guides and doesn't play anything up, providing a straight-forward, non-glossy account of all that is Portland, what to look out for and, often more importantly, what to avoid wasting your time and hard earned dough on...an invaluable resource." &#151;Riot 77 Magazine

Shawn Granton is a freelance artist and contributor to the magazine Momentum. He lives in Portland, OR where he leads bike rides, draw comics, and works at a hostel.

This book helped to make my visit to Portland awesome. Lots of stuff in here that is not the typical tourist stuff
