Frommer's Portugal (Complete Guide)

Synopsis

You'll never fall into tourist traps when you travel with Frommer's. Doing so is like having a trusted friend show you around, taking you to the places locals like best. That's because our guidebooks, unlike much of the competition, are written by resident experts—like Celia Pedroso and Paul Ames, the authors of *Frommer's Portugal*. Both are Portugal-based and highly respected travel journalists. In this proudly opinionated book, they will help you sort through all the options, so you can tailor a vacation that's right for you. Inside this book you'll find:

- Insider advice on avoiding crowds as you explore some of Portugal's greatest gems, from Lisbon's Alfama to the beaches of the Algarve, and from the Palácio Nacional de Sintra to the Quinta Palmeira Gardens in Madeira—plus tips for navigating the country's lovely but less-traveled corners, like Trás-os-Montes and the Minho
- Where to discover the absolute best seafood in Lisbon, the tastiest fruit in Sintra and Alcobaça, and the finest wines that Portugal has to offer
- Insightful commentary on Portugal's dazzling array of architectural masterpieces, from the Gothic Mosteiro de Santa Maria da Vitória in Alcobaça to the Baroque Palácio Nacional de Queluz
- Opinionated reviews—no bland descriptions and lukewarm recommendations. Our experts are passionate about their country, and they tell it like it is in an engaging and helpful way.
- Exact prices listed for every establishment and activity, so there's never any guessing or nasty surprises
- Lodging, restaurant, and shopping recommendations in all ranges from luxe to moderately priced choices for real people
- User-friendly features including star ratings, detailed maps, and a pullout map of the country

Paul Ames has been enchanted by Portugal since he first arrived as a child in 1975 and found the country gripped by revolutionary fervor. He lives in Lisbon, works as a freelance journalist and never tires of exploring the delights of his adopted homeland from the vine-covered hills of the Minho to Madeira's rocky shores and all the beaches in between. Célia Pedroso is a Portuguese journalist specializing in travel and food. Her work has appeared in international magazines and newspapers including The Guardian, DestinAsian, as well as Portuguese magazines, Visão and Rotas do Mundo. She is the co-author of the book Eat Portugal and runs culinary tours for Culinary Backstreets. She resides in Lisbon.

An excellent guidebook! Just returned from Porto and the Douro Valley, got this just before I went and I can't tell you what a difference it made for this short trip. I felt like I understood the history of what I was seeing so much better (and not just long ago history, but how the 20th century terrible dictator Salazar shapes what you see), and the write ups of all the churches and museums really helped guide me to what would be most interesting to me (and what I could skip). Appreciated the in-depth overview of Porto tasting places, since that was one of the reasons I was here. And found the suggested itineraries at the front to be really helpful (as were the pull out map and all the maps throughout). Best of all though was the food. I had no idea what to expect from Portuguese food and it was superb! I liked that at the restaurants in this book, I only heard Portuguese being spoken around me. They were real local places. That didn't happen when I didn't use the book and accidentally stumbled into some tourist traps. A must buy!!!
