A Peakbaggers Guide To The Canadian Rockies: North

Synopsis

A full-colour, comprehensive scrambling guide to the increasingly popular mountain landscapes located in the northwestern reaches of the Rocky Mountains. Following in the footsteps of classic publications such as *Scrambles in the Canadian Rockies* and *More Scrambles in the Canadian Rockies*, *A Peakbagger's Guide to the Canadian Rockies: North* pulls back the curtain on the vast sea of summits from the Columbia Icefield northwards. The authors describe over 100 routes to peaks of all sizes and difficulties, from simple alpine hikes on well-defined trails, to challenging scrambles and focused alpine climbs. Routes are included for peaks in all four corners of Jasper National Park, Willmore Wilderness Park and Mount Robson Provincial Park as well as peaks near the towns of Cadomin, Hinton, Grande Cache and Valemout. Each summit has well-described ascent and descent routes supported by stunning photographs of the majestic wilderness of the northern Rockies. Described routes range from short single-day trips to more aggressive multi-day expeditions. *A Peakbagger's Guide to the Canadian Rockies* has something for everyone looking to enjoy the splendour of Canada's mountains.
